

Inaugural Duchenne Gala Ball
Saturday, May 26, 2012
Esplanade Hotel, Fremantle
6.30pm to Midnight

Dust off your Tuxedo and Taffeta as you step into an evening of Art and Creativity at this year's Inaugural Gala Ball for the Duchenne Foundation.

This spellbinding night of glamour (and award winning entertainment) takes place at The Esplanade Hotel, Fremantle, from 6.30pm on Saturday 26th May, 2012.

We promise you a night of elegance and top quality entertainment, as we present a Gala Ball that will surely impact on the busy Perth Social Calendar as a MUST DO event!

- Hosted by the quick wit and largesse of heart that is Channel 10's Tim Gossage
- Special guests include Brad Hogg (WA's pride and joy in the current T20/20 Big Bash series)
- Australia's Entertainer of the Year award winner will be flown in from Sydney (do not miss this unbelievable showman!!!)
- and a dazzling host of local artists will thrill you from the moment you arrive to lights out as you reluctantly leave the dance floor.

Simply put, we can guarantee you a superb evening. Bring your friends, peers, colleagues and clients – tables of 10 are now selling and we aim to attract 400-600 guests. There's many ways in which you can be part of, or partner, to make this a huge success for the Duchenne Foundation.

- TABLES/SEATS: Purchase a table/s to reward your staff, indulge your clients, romance your partner, create an excuse to bring your friends together for a night of fine dining and outstanding entertainment, set a goal to sell as many seats as you can through your own contacts or staff. Tables of Ten are \$1500 – these prices provide unbelievable value! Single tickets \$175
- Sponsors, Auctions and Raffle items are sought – all businesses and services, gifts and financial assistance form the backbone of successful fundraising on the night, so serious consideration of what you can do to help is the first step. For further information, sponsorship opportunities, or if you wish to donate an item for our Auction or raffle please contact one of our Team Leaders as below:
